**Electronic Firm Will Tell Plan to Build Here**

One of the greatest events that ever has happened for Torrance will be announced Tuesday. J. H. Paget, president of the Chamber of Commerce, said one of the nation's top electronics firms, a subsidiary of one of the finest companies in America, will be welcomed at the April membership breakfast meeting at the Masonic Lodge, 2326 Cabrillo Ave. Serving will start at 7:20, and the meeting will conclude at 8:30. Breakfast chairman Hal Frenz and George Powell said no announcement has been made regarding the firm's buying property in Torrance, but the company's top officials will relate details at the meeting. Paget said the gathering is the first of its type conducted here. The firm, which now has nine facilities, will build its offices here as well as its advanced scientific and electronic division. Burglars take Five Guns from Home here Burglars last week stole guns worth \$432 from the home of George Bayer, 25014 Ebony Lane. They entered a bedroom window. Three rifles and two handguns were taken.

**TARTAR AND FEATHERS**

By FRANCES ADAMS

After a week of fun and sun the Torrance Tartars returned to school to be greeted by the news that there is only eight weeks until the end of the school year. Bill Cosby and John Whitacre were among 400 high-school newspaper reporters aboard, the helicopter carrier Thetis Bay during the Day-in-the-Navy activities April 14. The boys represented THS in the Fourth annual all-day cruise off Long Beach. Bill and John arrived at the Long Beach Naval Station April 13, where they were given a tour of facilities before dinner. On Thursday the group headed for sea at 6 a.m. and returned at about 4 p.m. The bidding journalists competed in a writing contest about their experiences. "Spring Fever" is the theme of the annual backwards dance sponsored by the Girls' League. The day when the girls can choose their dream dates, is tomorrow at 8:30 p.m. in the Torrance High Cafeteria. Attire for the occasion is cotton dresses for the girls and cotton shirts and slacks for the boys. Happy Hunting GIRLS! Caesar reigns again! So it will seem when the Latin students stage their annual Roman banquet. John Lehr will portray the mighty Caesar, and Joanne Isbell and Joyce Keeler will serve as his personal slaves. The banquet will take place on Tuesday in the THS cafeteria. The Latin II students will be guests and Latin I students will be their slaves.
